Established in 2007, the Madeline Kafoury Memorial Cup are traveling trophies presented each year to the winners of the Hunger Free Summer Food Fight. The Food Fight originated in the City of Troy over 20 years ago. Madeline (Maddie) Kafoury was a dedicated employee of Gordon Advisors, P.C., of Troy, a long-time Food Fight participant. We honor her memory as we celebrate this important community accomplishment of feeding hungry children. A special thanks to Claire and Sam Kafoury for presenting the cups to the Food Fight 2015 winners.
